

Seda begins with its main ingredient: a passion for quality, the
land, nature, and above all, diversity.

That's exactly how Seda envisions its guests — distinct yet
equal, all seated at the same table.

Those on a diet, those who never started one, and those who
will start on Monday; vegetarians, vegans, expecting mothers,
children and the elderly.

Tastes and distastes, curiosities and differences, stories and
cultures of food.
